

## *Peru Pilgrimage: The Portal to a New Time, The Portal to a New Dawn 12.12.12 – 12.21.12*

Have you always wanted to go to Peru and have not been able to get there? During this very important transition time for humankind, let me travel for You and on Your behalf.

I leave on December 4, 2012 and will return on December 23, 2012.

This is a very Sacred Journey with Elders, Spiritual Leaders, Priests, and Wisdom Keepers who will share their vast and ancient knowledge and conduct many ceremonies on this fifteen day journey. We will be participating in a minimum of twenty-three ceremonies.

This is an opportunity to participate energetically and with intention in the culmination of the Grand Year of the Mayan Calendar, to include our Sacred Spirits as catalysts to the evolution of human spirit and consciousness. Join me in a divine collective of spirit that will include all of humanity, the earth and the infinite beyond. Energetically walk with me in each step of initiation and ceremony, standing together creating a clear path to our future.

To participate, write your intentions for your future and the future of humankind. I will carry this intention with me throughout the journey and through all ceremonies will request manifestation on your behalf.

Your cost: \$100.00
