Artists remarks to me on May 30, 2013 via email.

""So, it is time to part with your images. It is always a challenge to sell a piece of art. You could try consigning with a gallery. I have seen my work on ebay and Kijiji. You could try an auction. You could donate it to a charity auction or gift it to someone who could use them. I'm sure you will find a good place for them. Just to give you an idea of value. I sold the last print of an image about 10 years ago for \$1100. Both your above perspectives are in that category. "**Hidden Wealth**" stands alone. There are none left, it is very rare. Hope this helps. It was great to hear from you."

"Hidden Wealth" I believe this has greatly assisted in bringing me a "living" all of these years and have really enjoyed the benefits. It is beautifully framed and UNIQUE. WE WILL HAVE TO NEGOTIATE THE PRICE!
